SOME REGULATIONS:

- To enter in championclass a championship certificate is needed.
- Since 1.1.2001 all the dogs that are participating at the show must be identified by a microchip or clearly readable tattoo. Microchip must be in accordance with ISO 11784/11785 Standard.
- The show is subject to the vaccination directions approved by the Finnish Kennel Club. The organizers are obliged to inspect vaccination certificates for all dogs taking part. All dogs participating in the Show must have a valid certificate of vaccination against distemper and rabies.
- More regulations to participate in the dog shows in Finland:
<https://www.kennelliitto.fi/en/forms/dog-show-regulations>

ARRIVING IN FINLAND:

- The dog must be identified by a microchip (or clearly readable tattoo if the identification is done before the 3rd of July 2011.).
- The dog is not allowed to travel without a valid vaccination against rabies.
- The dog must be treated against echinococcus 24h-120h before entering Finland. A veterinarian in a country outside of Finland has to mark the medication administered in the pet passport. The treatment is an appropriate dosage of medicine containing praziquantel or epsiprantel against tapeworm causing echinococcosis approved for the species concerned. No anti-echinococcus treatment is required of dogs travelling to Finland directly from the United Kingdom, Norway, Ireland or Malta.
- The animal must be accompanied by a EU* pet passport carrying the identification information on the animal and an entry by the veterinarian concerning a valid rabies vaccination, clinical examination and echinococcus treatment.
 - * Pets arriving from Andorra, Faroe Islands, Gibraltar, Greenland, Iceland, Liechtenstein, Monaco, Norway, San Marino, Switzerland and the Vatican require a third country pet passport.
