Lady Wentworth's book can be read online at the link given below. She was well known for her Toy Spaniels, titled some of her own and was a breeder, exhibitor and judge. Lady Wentworth was very supportive of the Kennel Club and has nothing but praise for the organisation. Her views on clubs, exhibitors etc. can be read in Chapter 12 page 274. Interestingly she exhibited Poms for the first time in the 1920s. The book is well worth a read and has very interesting information about breed history.
